

CHERRABAH SPORTING CLAYS 2017

SHOOTING RULES

1. All squads will start at No. 1 Station and progress in order to the last station. No jumping stations will be permitted.
2. The gun must be out of the shoulder when calling for the target, except for lady shooters.
3. A target release of 0 to 3 seconds delay can be expected.
Chokes or guns may be changed **between** rounds of 50 but **NOT** in the middle of a round unless as the result of gun breakdown.
4. At each Station, **the 1st shooter of squad 1 may look at the full sequence of targets** for the first round of the day only!! **No other squads will get to look at targets.**
5. **Targets that vary in height or trajectory up to 2 to 3 feet caused by wind or air currents are to be considered legal targets.**
6. Maximum shot size is No. 7.
7. Two (2) malfunctions per round are permitted – the 3rd malfunction shall be scored as a Lost Target.
8. Double barrel targets – if a double barrel target is missed with the first shot and there is a gun malfunction on the second barrel, the target shall be repeated but the shooter must MISS with the first shot with a result to count on the second shot.
9. Simultaneous Pairs – if either target is broken, the pair is deemed to be a NO PAIR.
If both targets are hit with one shot, both are to score.
Both shots can be fired at one target.
10. Report targets are not pairs – if the second target comes out broken, the result on the first target stands and the shooter must shoot a proof pair for a result on the second target.
11. Shoot offs will be shot on one station – MISS and OUT.
12. Any shooter shooting extra targets at any station will be disqualified.
13. All shooters will be graded after the first 50 targets on the first day and then regraded after 100 targets.
